Before the rising sun we fly,  
So many roads to choose  
We start out walking  
And learn to run.

*Sharing Horizons That Are New to Us,  
Watching the Signs Along the Way,  
Talking it Over Just the Two of Us,

And when the evening comes we smile,  
So much of life ahead.  
We'll find a place where there's  
Room to grow.

## Dream On

Every time that I look  
back in the mirror,  
All these lines on my face  
getting clearer.  
The past is gone.  
And in the night  
like dusty dawn,  
isn't that the way everybody's  
got their dues in life to pay.

I know nobody knows  
where it comes  
and where it goes.  
I know everybody  
since they got the dues to pay.

Half my lifes on books  
written pages,  
live and love from  
fools and from sages.  
You know it's true  
all my fears come back to you.

Sing with me,  
sing for the years,  
sing for the laughter,  
sing for the tears.  
Sing with me,  
just for today,  
because maybe tomorrow  
the good Lord will take it away.

# ACADEMICS

# Commander in Chief

Continuing to improve the way of life for everyone concerned with Center Line High School, Mr. Nicholson has fought for everything he believes will help the students get a better education and enjoy their stay here at Center Line. Well you name it and Mr. Nicholson probably has tried to get it for students and teachers or has already been successful. Putting it out in front, he is the hardest working man in C.L. Even though it's only his second year as principal C.L. is running better than it probably has since it was first built. With all his duties and responsibilities he handles them beautifully and I think he will surely improve C.L. more than he already has

## 2nd in Command

Also in his second year, our Assistant Principal Mr. Jersylo is showing everyone that he knows how to do his job and do it in a way that every student feels free to talk to him when they see him walking down the hall. He has the major voice in the disciplining students, but in a fair way. Somehow he keeps up with his job and has a smile at all times. It shows what an efficient and good humored Assistant Principal, Center Line was lucky enough to have right here teaching when we needed one. Although he isn't a counselor, he's always willing to help out any student with a problem. It makes his job a little easier if he helps someone with a small problem before it develops into a larger one

# Counselors

Having a School with students about to decide what they're going to do when they leave is typical of all schools. That's why we need counselors. They help us decide what occupation we would like the most and the best college (if we are going). All these duties have been placed on three people in Center Line High School. Mrs. Kamun, Mr. Stawski, and Mr. Yerman have a job which requires the ability to get along with students and seek out what he or she would like to do in life. The counselors also are involved with the classes students choose. They inform students about what is needed to enter the field you have planned. Without counselors, a lot of high school graduates would be mystified about their future.

Mr. Chmelko is not seen by most of the student body, but this is the man in charge of scheduling all the Center Line sports activities.

I'm sure we're all sorry to see Mrs. Kamin go. After her departure in January the counselling office just doesn't seem the same.

After 20 years of service Mrs. Kamin decided to retire. We'd like to welcome our new counselor for the coming year

A very specialized class which isn't the easiest one in the world to get into. The class only takes students who get the highest evaluation from their teachers. And even then it's the top twenty that make it. As its name indicated, it deals with health careers in today's world. Acquainting students with some basic knowledge on the careers they are interested in and other occupations they might find more interesting.

Being a two-hour class it takes a lot of time out of a student's schedule, so he or she really has to be dedicated to get involved with this. Mr. Maciak, who teaches the class, always finds things for the students to do in the two-hour period. Whether it be teaching the class, or letting them work on experiments to get actual learning experience

## Freewood Gets New Advisor

The freewood is an all together different student paper this year. With its new advisor, Miss Matthews, and its editor, Mike Douglas, the freewood has taken on a new light. There are many more letters to the editor which let the students respond and show their views. The articles are interesting and informative.

This year's budget was cut by \$100. The freewood staff sold candy and candles to make up for this cut. Also, they added the ad section to aid in the cost.

The group is now utilizing a new machine, the I.B.M. composer, which helps to line up the margins and save time on typing.

The freewood's annual dress up day was again a success, with the winner receiving a five pound bag of popcorn.

Miss Matthews is hopeful for greater improvements next year.

Thanks freewood, keep up the good work!

Piecing It All Together

N A R N A

Every year our drama club traditionally presents a travel show for children. This year we did not travel, the little ones were brought to us instead. We ventured on a play that was somewhat new to what we've ever done. Bob Alexander, a past student, wrote the play and its choral arrangements in its entirety. The cast had fun pulling it all together. And it turned out quite well. We're all very proud of Bob

# Nurses Co-Op

Have you ever noticed people dressed in white uniforms mingling among the crowds in the halls. Well, they're not candy strikers or waitresses in a restaurant. They are involved in Nurses Co-op, and are working in nearby hospitals such as Bi-County, Saratoga and Warren Memorial. They perform such duties as making beds, preparing people for surgery, direct patient care, and learn the basic skills of nursing. They devote a lot of their spare time, and share their love and concern to cheer up a lonely patient.

# THE BOGART CLUB

You may be asking yourself "What is the Bogart Club?" Well, if you want to know, it is a group of people organized to help boost school moral. The club started three years ago, and was a great success, so it was carried over, in hopes to make, once again, a successful club for people who look for new and different things. As President, Bob Cuvengros, does his best to better the club, for to someday make the Bogart Club part of everyone's life, and to make Bogart's out of every last one of you.

## Fall of '74

Although our Center Line Panthers didn't have the greatest football season this year we did have some winners. Three which really deserve mentioning are Walt Czerwinski who made second team all Conference center, and Jim Flannery and Mike Ozgo who made all conference honorable mention. Congratulations and we're all proud of you and the rest of the team, for their optimism. Good Luck.

# Panthers Go To State

This year two Panthers made it to State, Mike Orza in the 187 pound class and Bob Scarlet at 155. Although neither one of them won their weight class, we would like to wish them congratulations on a job well done. The team this year placed 4th in Conference. In other meets this year, C.L. placed 3rd in the Flint Bently, 5th in the Macomb County College Invitational, and a strong first by sweeping the Hazel Park Triple Duel. Once again Congratulations team for a fine season

Three years ago when the millage was voted down, Cross Country was one of the sports that was cut. Finally a few years later, it has returned. Despite the team's 0-10 won, loss record there were a few bright moments. Jon Bice set the school record on the three mile course in a 16:32, just missing a chance for state. Roy Coffman and Rich Kulczyk, two promising sophomores, ran their times into the low 18:00 area. Gary Lowran was the only runner to improve his time every meet. Will Gratten and Dennis Stecher pushed each other the whole year and ended it by a 18:52 for each of them in the regionals. Next year Coach DeFusco claims that a few teams will be upset by C.L. He expects the team to average about a 17:30 throughout next year.

Seven out of the ten records were broken by this year's swimmers. The 9-5-1 record could have been better if illness and a little bad luck had not been intervened. But all in all, this was a year of pride and accomplishment for our swim team. # The Homecoming Parade

75  
 175  
 175

The night of the Homecoming Parade was filled with tension as voices resounded through the air, cheering and competing with each other until they were hoarse.

The game had been preceded by an interesting and colorful parade, with the highlights being the class floats and the Homecoming Court. Our own band with the help of Busch and Wolfe Jr. High, were some of the groups that helped make the parade a success.

At half-time the band put on an impressive performance and as the winners of the float were announced, the students hushed into a strained silence. Of the clubs, Nurse's Co-op was awarded first place. The class float winners were the Sophomores, with Tweety and Sylvester, the Seniors second with Top Cat, followed by the Juniors, with Fat Albert. After an explosion of noise, the students once more quieted down to hear that Linda Wiegand was our new Homecoming Queen.

It was truly an exciting evening which was enjoyed by all.

Court members were: Jr. Princess, Colleen Connell; Lori Swanson; Caryl Sikora, Queen Linda Wiegand; Michele Alexander; Soph. Princess, Pat Feen.

Last year's queen, Michele Boree, crowning a tearful Linda Wiegand.

# 'A Midnight's Dream'

The 1974 Homecoming Dance, sponsored by the Student Council, was a memorable evening for all. The guests were entertained by the music of Male and the impersonations of Phil Picio. Refreshments served were cookies and punch, compliments of the Home-Ec classes. Credit goes to Mr. Sikora and the Student Council for the decorating of the gym.

This year's dance truly did end up a "Midnight's Dream."

Looks like everyone is having a great time!

Members of the court with escorts: Steve Gordon, Colleen Connell, Mark Horvick, Pat Green, Jim Joyce, Carol Sikora, Linda Wiegand, Mike Pico, Michelle Alexander, Rory Hodge, Laurie Swanson, Dave Kudryski.

This year's queen, Linda Wiegand, accompanied by her escort, Mike Pico.

## Dress-up Day

Dress-up Day was just as much fun this year as ever. Students and teachers arrived at school disguised as anything from bees to Frankenstein. Some of the costumes needed two people to fill them, but most of them were separate. The costumes were very well done with a lot of originality and thought. Of course, there were those students who didn't dress up, but that was because they didn't have to.

At the end of the day, everyone flocked to the gym to see who (or what) had won the various awards. The winners were picked by the Journalism class, and the awards were presented by Mike Douglas. Lydia Nesterovich won the best costume award with her clown outfit, and Kathy Schmadt was the most original as the Cookie Monster. Jay Tocco walked away as a tourist with the most funny award, and Monica Gossage and Penni Rabideau were judged to be the best couple as a unicorn. Mr. Maciak turned out as Frankenstein, winning the best teacher award.

The day was really a lot of fun, especially since many students, as well as teachers dressed up. Hopefully, next year as many, or more, will dress up and make the day a crazy and different one.

## The Way We Were

Memories like the corners  
 of my mind,  
 Misty water-colored memories  
 of the way we were  
 Scattered pictures of the smiles  
 we left behind.  
 Smiles we gave to one another  
 for the way we were  
 Can it be that it was all so  
 simple then  
 Or has time rewritten every line?  
 If we had the chance  
 to do it all again  
 Tell me would we, could we?  
 Memories may be beautiful and yet  
 What's too painful to remember  
 we simply choose to forget  
 So it's the laughter  
 we will remember.  
 Whenever we remember  
 The way we were  
 The way we were

# PROM NIGHT SUMMER BREEZE

On May 17, 1974, the Prom was held at the Hillcrest Country Club. It was a night for remembering the past and anticipating the future. The couples danced to the lively music of the Jadesmen. The King and Queen, Keith Brown and Kelly Parker, were crowned by Mr. Maciak as their happiness radiated around to the others.

The tasty refreshments served were donated by the Junior class girls, who also made the remembrances.

"Summer Breeze" will always be remembered as the enjoyable evening it was.

Our King and Queen — Keith Brown and Kelly Parker.

The court members from left to right are. Jeff Berzack. Mary Weertz. Hershel Thomason Michele Boice. Joanna I'een, James Mainero.

The atmosphere at the prom was surely exciting. The air was filled with music, laughter, happiness and crunching (on the cookies that is). All in all everyone had a fantastic evening

A smile is to cheer you and me,  
 The cost is nothing — it's given free,  
 It comforts the weary — gladdens the sad,  
 Consoles those in trouble good or bad,  
 To rich and poor — beggar or thief,  
 It's free to all of any belief,  
 A natural gesture of young and old,  
 Cheers on the faint — disarms the bold,  
 Unlike most blessings for which we pray,  
 It's one thing we keep when we give it away.

I wish not  
for the day  
when you will leave,  
I found happiness  
brightness and love  
all around with you here

It seems you'll go  
and I'll never see you again,  
this upsets me  
You're my friend

I need you  
years will pass but  
I will never forget  
the times we shared,  
the laughs, the smiles,  
the thoughts.

It's been great  
and beautiful  
Thanks,  
You'll be in my heart  
forever.

I sit waiting;  
the room is crowded with people  
Someone's making a speech  
Piano, I think

My mind wanders off  
faces flash by  
Events long ago, buried  
in the back drawers of memory  
Seem to emerge  
embarrassing times  
Happy sad lost and winning times  
Times I wish I  
for what I wish I  
wish I  
Questions I wish I

I wish I  
I wish I  
My mind wanders off  
of this world  
A world I wish I  
A world I  
Crash, they say, the world  
Someday, they say, the world  
Time I wish I

My mind wanders off  
I wish I  
What I wish I  
Where I wish I  
Appropriate I wish I  
I wish I

My mind wanders off  
every time  
The story of my life  
As they pass I study each one  
through a billion leaves remembering  
Time and Circumstance that the  
Tears stream down my face  
And every chapter of the  
closed book never to be repeated again  
A chapter worth being looked upon  
less and less as we face new experiences  
For we've almost begun

If you can keep your head when all about you  
Are losing theirs, and blaming it on you,  
If you can trust yourself when all men doubt you,  
But make allowance for their doubting, too;  
If you can wait and not be tired by waiting,  
Or being lied about, don't deal in lies,  
Or being hated, don't give way to hating,  
And yet don't look too good nor talk too wise;  
If you can dream and not make dreams your master,  
If you can think, and not make thoughts your aim,  
If you can meet with triumph and disaster,  
And treat those two impostors just the same;  
If you can bear to hear the truth you've spoken  
Twisted by knaves to make a trap for fools,  
Or watch the things you gave your life to, broken,  
And stoop and build 'em up with worn-out tools;  
If you can make one heap of all your winnings,  
And risk it on one turn of pitch-and-toss,  
And lose, and start again at your beginnings,  
And never breathe a word about your loss;  
If you can force your heart and nerve and sinew  
To serve your turn long after you are gone,  
And so hold on when there is nothing in you  
Except the will which says to them: "hold on!"  
If you can talk with crowds and keep your virtue,  
Or walk with kings — nor lose the common touch,  
If neither foes nor loving friends can hurt you,  
If all men count with you, but none too much;  
If you can fill the unforgiving minute  
With sixty seconds' worth of distance run,  
Yours is the Earth and everything that's in it,  
And — which is more — you'll be a Man, my Son!

# And Yes We've Just Begun

"People, people who need people, are the luckiest people in the world . . ." I chose this quote to open my final words with because I found it to be true, and in making this discovery I was able to make my last year at Center Line my happiest. It is said that you can only get out of a factory what you put into it; this formula holds the same for school. I must say that I'm very happy with my end product; a lot of beautiful memories. Everything I feel or have felt about this year is in my poem on page 219, so I won't repeat it here.

I do have a favorite poem, however, and it goes as follows:

He who looks for  
a brighter tomorrow  
And find no  
beauty today,  
Has somehow missed  
the joy of living  
Somewhere along the way.

In interpreting this poem, I drew these statements. Never do anything you will regret; don't regret anything you do. Don't live on dreams and hopes of tomorrow, but instead live each day to its fullest. That's my motto and "words of wisdom," I pass along to each of you.

Now come the thank yous. First of all I praise and thank my staff for an excellent job. The book came out great, and it was a pleasure to work with all of you. I thank Sharon Goff, my co-editor, without whose calm, patient manner I don't know what I would have done. I thank Mr. Grobbel. Although we didn't see you in class much, it was nice to know someone's knees were shaking more than mine come deadline time. To Oz again, for just being a great guy.

Lots of thanks to Sue Hentschel at Modern Yearbook for all her time, advice, help and good sense of humor. Tons of thanks to Bill Williams for film, developing, printing and enlarging of all pictures.

Special thanks to Mrs. Dagnault for letting us use her typing room sixth hour, and to Mr. Wibbelmen for Ski and Travel Club pictures.

For your time and patience, which made you both great Senior sponsors, I thank Miss Matthews and Mr. Maciak. Last but not least, I thank my special friends for the happy times which made my beautiful memories; Janet Visco, Denise Lapworth, Diane Karadsheh, Sharon Goff, Mike Picio, and the one person who made it all possible, Sandy Prach.

With love and wishes for much success.

Pat.  
 Hey sticky  
 fingers. Have you ever  
 eaten candy before you  
 play the piano. I suppose  
 everyone is writing you about  
 your piano. Well I'm not

Patti,  
 Ya a great pianist  
 & kid. Remember me  
 next year in Choir because  
 I won't be there & I'll miss it.  
 Oh well. Good luck in everything  
 you do.

Patti:  
you know I can't write  
and you know I never  
know what to say! I  
wanted to write you  
something cute + witty +  
clever, but I'm not  
qualified, right?  
Even though our  
schedules don't work  
right, I hope we see  
each other often next  
year.

Good luck always!
